

## Use of Title

In accordance with Section 29(2) of the Surveyors Registration Ordinance, it provides as follows: -

- (2) *A person shall not use the description of “**registered professional surveyor**” or the initials “**R.P.S.**” unless the person includes in the description the qualifying division either in full or by an abbreviation approved by the Board.*

Please be reminded to use the following titles or initials as approved by the Surveyors Registration Board to describe yourself as a Registered Professional Surveyor with a qualifying division as recorded in our register.

Registered Professional Surveyor (Building Surveying) / R.P.S. (BS)

Registered Professional Surveyor (General Practice) / R.P.S. (GP)

Registered Professional Surveyor (Land Surveying) / R.P.S. (LS)

Registered Professional Surveyor (Planning and Development) / R.P.S. (PD)

Registered Professional Surveyor (Property and Facility Management) / R.P.S. (PFM)

Registered Professional Surveyor (Quantity Surveying) / R.P.S. (QS)

**Please note that “RPS” without a dot is an incorrect usage in accordance with the Surveyors Registration Ordinance.**

Thank you for your attention.
